To Whom It May Concern,

This letter is my personal recommendation for Dimitar Danailov.

Even though my time with Dimitar was limited, I found him consistently pleasant, professional, and tackled all programming assignments with dedication and a view to total success.

Besides being a joy to work with, Dimitar is a take-charge person who is able to present creative ideas and communicate the benefits.

I highly recommend Dimitar for employment. He is a team player and would make a great asset to any organization.

Regards
